

2022 Christmas Program

Want to do some fun Christmas activities with your class?

RAW Art is offering a range of fun festive activities, to help celebrate the Christmas season. We can visit your class and run our awesome hands-on 90 minute workshops. Check out our awesome Christmas Program!

- ★ 90 minute hands-on workshops
- ★ Workshops conducted in the classrooms
- ★ All resources provided - Students will just need their scissors/glue sticks.

KINDY / PREP

Cool Chrissie Bags
- mixed media

Students will design their own unique Christmas bag – working onto a brown gift bag students will incorporate paint/collage/stamping to create an original festive design.

Chrissie Mobiles

- mixed media

Using a wide range of 2D and 3D media, students will create a fun hanging sculpture. Students will learn about weaving/ sculpture/ collage/ assemblage.

Fun Clay Christmas Tile

- clay

Using clay, and assorted decorative media , students will create their own Christmas inspired ceramic tile. A great tactile lesson.

Christmas Stenciling

- printmaking

Students will create a Christmas motif stencil, and will learn how to make simple prints with them onto coloured paper. They will then be mounted into one awesome vibrant artwork. Ho Ho Ho!

YEAR 1 / 2 - STAGE 1

Christmas Tree Weavings

- mixed media

Students will work with a range of 3D media to create awesome Christmas Tree weavings. Children will love the tactile process, and the end results will look truly festive hanging around your classroom.

Christmas Mix Media Mobiles

- printmaking/mixed media

Students will enjoy making these cool mobiles. They will create large collaged and printed Christmas shapes, and will then assemble into a fantastic mobile.

Little Clay Reindeers

- clay/sculpture

Children will love their little clay reindeers. Using clay, and some assorted decorative media, students will be taken through a fun step by step process of modeling clay. Great fun!

Upcycle Christmas Wreaths

- upcycling

A fun creative lesson – children will use a variety of bits and bobs destined for landfill, to be transformed into a festive Christmas wreath design.

*Please note – students will need to collect from home approx. 15-20 assorted small pieces of plastic like bread tags, bottle tops, toys, game pieces, Lego that can be incorporated into design – Christmas colours best if possible!

RAWART
MOTIVATE CREATE EXPLORE

2022 Christmas Program

YEAR 3 / 4 – STAGE 2

3D Christmas Scenes

- 3D sculpture / ceramics

Students will learn all about clay, and simple 3D forms. We will incorporate some 2D and 3D media to create a festive Christmas scene. Ho Ho Ho!

YEAR 5 / 6 – STAGE 3

Op Art Christmas mobile

- sculpture

This is a great sculpture lesson, using card/ paper and some other assorted decorative media. Results are fantastic, and will transform your classroom.

Funky Wrapping Paper

- printmaking

Students will create a few different types of stampers using clay and cardboard. They will discover the principals of printmaking, and will work at creating their own unique wrapping paper design.

Decorative Chrissie Clay Tile

- ceramics

Students will love creating these ceramic Christmas tiles. They will enjoy discovering some cool clay modeling techniques, and will learn about the properties of clay.

Christmas Screen print Designs

- printmaking

Discover the joy of screenprinting! Children will love creating their stencils, and learning the basics of screenprinting. Prints will be mounted into an awesome Christmas Design.

Creative Christmas Chemograms

- photo media

Students will work with basic Photo Media equipment (developer/photo paper), and will learn some simple cool effects using photo chemicals. These designs will be used to create a set of vibrant Christmas cards. Fun!

Upcycle Festive Wall hangings

- mixed media

A fun activity based on upcycle collage and assemblage. Students will use a range of media, to create a small vibrant hanging art works, ready for Christmas display!

*Please note – students will need to bring from home 1-2 small pieces of card packaging – preferably Christmas colours.

Christmas Silhouettes

- paint/draw

Students will work with watercolours, and black markers to design and create an imaginative silhouette scene reflective of the Christmas spirit.
