MOTIVATE CREATE EXPLORE

Clay Play Program 6 week series of hands-on workshops

Clay is a wonderfully fun, tactile resource for children to explore shape, 3D form, scale and texture.

Children will develop their fine-motor skills, getting their little hands messy exploring tactile media and modeling techniques.

We will work on our problem solving skills and develop literacy and numeracy concepts.

Week 1 - Exploring Clay

Making coils, slabs and some basic 3D shapes - a workshop familiarising children with the properties of clay. (Introductory session)

Week 2 - Clay Puffer Fish

A fun project working with clay, watercolours, and a few other media to create a 3D Puffer Fish. (SPHERE based project)

Week 3 - Clay Crocodile

Work with clay to create a cool little crocodile sculpture - we will paint + decorate. (COIL based project)

Week 4 - Funny Clay Face

Learn how to make slabs, and we will turn these into a little face mask. (SLAB based)

Week 5 - Printing with Clay

Explore simple printmaking techniques working with clay stampers. (MIX MEDIA project)

Week 6 - Slimey Snails

Bring all of our clay-making skills together to create a cool little snail sculpture. (3D sculpture focus)

PRICING:

3-5 year old sessions

Flat rate of \$160 per workshop (+ gst)
45 minute workshops
(max group size 24 students)

2-3 year old sessions

Flat rate \$120 per workshop (+ gst)
30 minute workshop
(max group size 12 students)
