

The RAW ART COVID SAFE PLAN- working in schools/kindys

RAW ART IN SCHOOLS

- Artists directed not to come to schools if they are feeling unwell.
- Artists trained in COVID safe health and hygiene best practices.
- All artists will be provided with hand sanitiser, gloves and disinfectants for art resources.
- Strict social distancing rules applied around staff and teachers/ teacher-aids. Artists to only access required classrooms.
- Materials and art resources will not be shared between students or classes.
- All resources will be cleaned/disinfected after each workshop.
- Artists will bring their own water bottles
- RAW Art to liaise with schools as to best arrival/ departure preferences

Raw Artists

Do not come to work or go to school if you are feeling unwell

WASHING HANDS

Please wash your hands regularly and correctly. Use sanitiser or if using soap and water then clean for at least 20 seconds and dry thoroughly

Please wash your hands in these instances:

- Before and after eating
- After coughing and/or sneezing
- After going to the toilet
- After changing tasks
- After touching potentially contaminated surfaces

Other health measures

- Cover your cough or sneeze with elbow or tissue
- Avoid touching the face, eyes, nose and mouth
- Dispose of tissues hygenically
- Clean and disinfect surfaces and shared equipment
- Stay more than 1.5 m away from others
- Don't shake hands and avoid any other close physical contact where possible.
